

## Urban Vitamin Oxnard 5 in 1 65W universal charger

Colour: black

Item no.: P301.9601

Directly available: 45

Current stock for all colours: 45

The Oxnard 5 in 1 65W universal charger is a powerful portable device that will elevate your charging experience to new heights with unrivaled versatility, convenience, and power-packed performance, all in one sleek package. This charger features a 15W magnetic charger for the latest iOS and Android phones. With a colossal 15,000mAh battery capacity and a robust PD 65W Type-C output via the integrated type C cable, you can fuel your devices at lightning speed, including laptops demanding high power. Oxnard is also equipped with a fast charging type C in/out port and a USB A output port. Equipped with 4 types of AC plugs, conquer charging challenges in over 150 countries with ease. Say goodbye to charging dilemmas as you power up to 4 devices simultaneously, while charging the charger itself when connected to a power socket, ensuring no device is left behind. The compact dimensions make it the perfect travel companion, perfect for on-the-go use.
